### **ARTICLE I - SCOPE OF SERVICE AGREEMENT**

- 1.1 Jefferson Island will provide to Customer on an Interruptible Basis, Parking Service, Loan Service, Wheeling, Imbalance Trading, Overrun, and/or Title Transfers as applicable (“Hub Services”) at Jefferson Island’s Storage Facilities in accordance with this Service Agreement and Jefferson Island’s “Statement of Operating Terms and Conditions for Services Rendered Pursuant to Section 311 Of The Natural Gas Policy Act Of 1978 And The Rules and Regulations Adopted Thereunder” (the “SOTC”) attached hereto as Exhibit A, as may be amended by Jefferson Island from time to time without prior notice to Customer.
- 1.2 The Service Agreement expressly incorporates the SOTC, and the written provisions contained in the confirmation letters that may be executed by the parties from time to time, the form of which is attached hereto as Exhibit B, hereinafter referred to as “Confirmation Letter” (hereinafter collectively referred to as the “Service Agreement,” except where the context requires otherwise).
- 1.3 Hub Services are provided under the terms of this Service Agreement pursuant to Section 311 (a) (2) of the Natural Gas Policy Act of 1978 (NGPA) and, accordingly, such services can be rendered without the prior approval of the Federal Energy Regulatory Commission (FERC). Hub Services are offered and provided under the Service Agreement solely to the extent such services will not cause Jefferson Island to become regulated as a “Natural Gas Company” within the meaning of the Natural Gas Act of 1938, as subsequently amended.

### **ARTICLE II - HUB SERVICES**

- 2.1 From time to time, Customer may request Jefferson Island to provide one or more Hub Services under this Service Agreement by submitting a Transaction Request to Jefferson Island pursuant to Section 7.3.1.7 of the SOTC. Upon successful negotiation with Customer, Jefferson Island will issue confirmation of its acceptance of such Transaction Request in the form of a Confirmation Letter also pursuant to Section 7.3.1.7 of the SOTC. Each individual type of Hub Service requested by Customer will require a separate Confirmation Letter.

- 2.2 Jefferson Island shall provide, on an Interruptible Basis, the Hub Service specified on each Confirmation Letter, up to the Maximum Quantities specified thereon, and as allocated to the individual Points of Receipt and Delivery specified thereon.
- 2.3 All Hub Services provided to Customer are subject to Jefferson Island's reasonable determination of the creditworthiness of Customer pursuant to Sections 3.2.6 and 3.3 of the SOTC.
- 2.4 The terms of a Confirmation Letter prepared pursuant hereto, including but not limited to the applicable charges, quantity, and all other material terms, shall be kept confidential by the parties hereto, except to the extent that any information must be disclosed (i) to a third party for the purpose of effectuating transportation of Gas subject to this Service Agreement, (ii) to meet New York Mercantile Exchange requirements or regulatory filing requirements, or (iii) as otherwise required by law.
- 2.5 Customer represents and warrants that it is receiving these Hub Services on behalf of an interstate pipeline or local distribution company served by an interstate pipeline, pursuant to 18 C.F.R. §284.122(d).

### **ARTICLE III – HUB SERVICES CHARGES**

- 3.1 The rates for Hub Services performed under this Service Agreement shall be as set forth in each Confirmation Letter. Such rates shall be as agreed upon by Jefferson Island and Customer pursuant to Jefferson Island's market-based rate authority set forth in Section 6.1 of the SOTC.
- 3.2 Customer agrees to pay Jefferson Island the charges for all Hub Services furnished to Customer hereunder as set forth in each Confirmation Letter.
- 3.3 Where applicable, Customer agrees to pay Jefferson Island in kind or in dollars for Fuel as set forth in each Confirmation Letter.
- 3.4 Customer further agrees to pay Jefferson Island all other applicable fees and other charges including penalties as described in the SOTC to the extent applicable to any Hub Service.

### **ARTICLE IV - POINT(S) OF RECEIPT AND DELIVERY**

- 4.1 The Point(s) of Receipt for all gas, including Working Gas and Fuel, to be tendered by Customer to Jefferson Island for injection into the Storage Facilities shall be as specified on each Confirmation Letter. The Maximum Daily Injection Quantity that Jefferson Island is obligated to receive from Customer at each individual Point of Receipt shall not exceed the maximum stated thereon for that point and in total.
